Hawaii Tourism & Lodging Association
Engineer's Advisory Council

2016 HLTA ENGINEER'S ADVISORY COUNCIL SCHOLARSHIP PROCEDURES

PURPOSE

To encourage and educate qualified engineers in the hospitality industry in building maintenance, HVAC, electrical, refrigeration, energy management and other trades to further their knowledge in the field.

ELIGIBILITY

Scholarships shall be available to all eligible engineering personnel, technicians, administrators, managers, and supervisors that are current members of the HLTA Engineers Advisory Council in good standing and have at least 3 years' experience in the hotel engineering field.

Scholarship funds will be paid directly to the institute (i.e.; college, trade/tech school, or program) of the selected and awarded candidate.

PROCEDURE

EAC Scholarship Committee

The Scholarship Committee shall consist of all seven (7) EAC board members and one (1) HLTA Executive member.

Scholarship Funding

The Hawaii Lodging & Tourism Associations, Engineer's Advisory Council conducted their First Annual, Engineer's Advisory Council Scholarship Fund Golf Tournament at the Kaanapali Golf Course on Maui. Proceeds from this November 19th event will be awarded to eligible candidates. In general, scholarships will be awarded from $1,000 to $5,000 categories depending on need.

The number of scholarships and amounts shall be determined by the HLTA EAC Scholarship Committee based on funds available.
